## NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.1 standards.

Special consideration needs to be given when installing tiles greater than 15 inches. Please refer to [daltile.com/LargeTiles](http://daltile.com/LargeTiles) for more information.

For additional information refer to "Factors to Consider" at: [daltile.com/Factors](http://daltile.com/Factors).

All or select items within this series meet the requirements for these qualifications. For more information, visit [daltile.com](http://daltile.com).
