TSMK96-3462

## Swanstone Traditional Subway Tile Bath Wall Kit

Swan

Manufactured from Swanstone Solid Surface
Recommended for high-use traffic areas and commercial surfaces.

FEATURES

- Traditional 12 x 24-inch subway tile pattern with textured grout lines provides your bathroom with beautiful style.
- No grout to maintain; will not mold or mildew.
- Color and texture run all the way through and cannot wear away.
- Ideal for remodeling; easier to install than tile—panels glue up over existing surface.
- Coordinates with other Swanstone bath products.
- Heat resistant—walls can handle steamer units.
- Compression molding means superior durability.
- Warranty: Limited Lifetime – Residential
            Limited 30-year – Commercial

cUPC listed—Certified to CSA Test Standard B45.5 by IAPMO

Uniform Plumbing Code (UPC)

For a complete list of tests and results see the Technical Data Sheet.

MAINTENANCE AND CLEANING INFORMATION

Clean regularly with common household liquid cleaners and rinse within five minutes of application. Occasional scrubbing with abrasive cleaners ensures that the original luster will be maintained. **Do not** use "leave on" cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces. **Do not** use cleaning agents that caution use on acrylic, polyester or plastics.
